Dear Geoff

On behalf of the team at Autism New Zealand and myself, we would like to say a huge "THANK YOU" to yourself for your amazing sponsorship of Lyndon and James, that allowed them to compete in "The Pioneer" and raise just over \$15,000.00 for Autism New Zealand.

Without the support of Jetmaster and the phenomenal effort by Lyndon and James, this significant amount of money would have not been raised. Efforts, such as yours, means we can keep helping people. We are very grateful for your support. Thank you again.

I would like to wish you a vey Merry Christmas, and a safe and Happy New Year, with your loved ones.

Yours faithfully
