

## One of the most captivating electric fires ever created.

Undulating flame visuals, dancing seemingly impossibly amongst a deep bed of realistic logs or shining crystals. The eReflex doesn't just deliver mesmerising effects and a fireside glow. Designed with the very latest LED technologies and offering a choice of stunning fuel beds, this innovative electric fire range lets you decide on the perfect ambience to suit your mood - with only your imagination to hold you back.

eReflex Inset fires create minimalist, hole-in-the-wall installations for a clean and contemporary, built-in aesthetic. Inset models are suitable for a broad range of settings from the lounge to the bedroom. Each size features the eReflex's powerful Chromalight Immersive LED technology, assortment of feature fuel effects, and advanced Thermostatic handset.

Designed to offer a multi-sided view of the mesmerising flames and lighting effects, eReflex Outset models can be installed as three-sided or two-sided fires. Thanks to their versatile design, eReflex Outsets are perfect for a bespoke focal point installation to suit your interior, and can be finished in various materials, from wood surrounds to tiles, for the perfect centrepiece.

### Key Features

Customisable Fuel Bed

# eReflex Electric Technical Information

## inset

for a hole in the wall fire

eReflex Inset fires are offered in four sizes and are designed to be built into the wall for a minimalist installation that integrates seamlessly with your interior.

## outset

for a multi-sided fire

eReflex Outset fires allow you to create a bespoke two sided or three sided installation, for a unique focal point that provides a panoramic view of the stunning visuals.

## outset 'trento'

for a wall-hanging fire

The stylish Trento Suite is available for both sizes of the Outset eReflex, offering an easily installable, hang on the wall fire that can be selected in a number of two or three sided configurations. Each Trento Suite features clean and stylish floating shelves for a statement finish that completely houses your fire.
