

**JETMASTER WOOD** | ALFRESCO

# Alfresco Living | outdoor entertaining at its best

The universally renowned Jetmaster Alfresco, is the preferred outdoor Open wood fire for architects, specifiers and designers throughout New Zealand and is acclaimed for it's simple and easy operation.

Even long after the picturesque flames have died down, the glowing embers keep providing warmth to your outdoor area, allowing everyone the chance to continue enjoying the pleasures of true outdoor entertaining.

## FEATURES:

- The ambience of a traditional open fire but with greater efficiency
- Up to FIVE TIMES MORE HEAT and uses less fuel
- Minimum ash and cleaning
- Provides both radiant and convected heat
- Damper control allows you to control the rate of burn
- Easy to light
- Grill and hotplate for Alfresco dining
- Optional Stainless Steel cover
- Optional Stainless Steel firebox for high salt spray areas

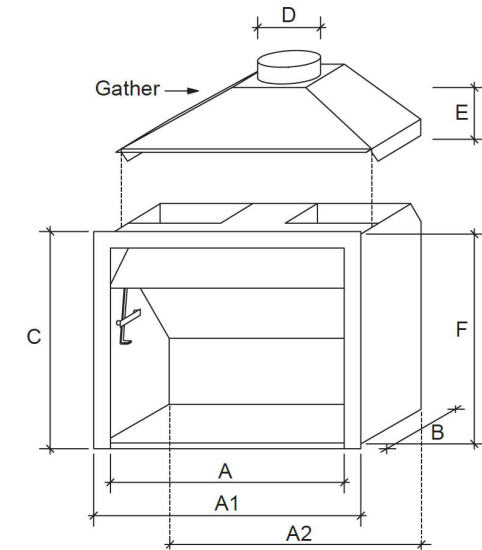

**Alfresco Living** | create your own personally designed outdoor living area.
